

Your Utility Bill Format Has Changed

How to Read Your New Bill

- A** This is your **14-digit account number**. Customers using online banking or sending a payment without the payment stub need to indicate their account number. Be sure to include the full **14-digit account number**, including the dash.
- B** This area contains **details** of all billed charges and payment/adjustment activity.
- C** This space is allotted for **special City messages**.
- D** This is the **total amount due**, including past due charges and recent payments and adjustments.
- E** This area contains **meter readings** and usage with a 12-month **billing history**.
- F** A **detachable payment stub** is located at the bottom of your bill. Please detach this stub and return it with your payment. If there are any **changes in your contact information**, please indicate those changes and be sure to **check the checkbox**.
- G** Please check the back of the bill for **payment options** and other relevant information.
