For Immediate Release – February 9, 2024

Scheduled Utility Crew Maintenance

Media Contacts:

Jerry Dudley, Planning Director – (843) 665-3236 or jdudley@cityofflorence.com

Josh Whittington, Utilities Director – (843) 665- 3236 or jwhittington@cityofflorence.com

FLORENCE, SC – On Monday and Tuesday (February 12 & 13, 2024), City of Florence Utility crews will be conducting required maintenance that includes testing of valves in a portion of the downtown area and adjacent neighborhoods (please see the attached map).

Customers will have no loss of water service but could experience some discoloration. Should discoloration persist, please contact the Utilities Department at (843) 665-3236.

The impacted area extends from Lucas/Church Street on the east side of Florence to Calhoun Drive on the west, and from Darlington Street on the north side to Cedar Street on the south side.

If you have any questions concerning this notice, please call the City of Florence at (843) 665-3236.
